**COMMUNICATION**

Applicant has less than 500 employees and thus is a small entity. Applicant unintentionally failed to indicate such when Applicant filed the above identified application. The above identified application is a continuation-in-part application of United States Patent Application Serial No. 09/680,892. Applicant indicated that Applicant is a small entity in United States Patent Application Serial No. 09/680,892. Moreover, Applicant is paying the filing fee for a small entity as indicated by the enclosed Fee Transmittal form. Under MPEP § 509.03, payment of a small entity basic filing fee operates as an assertion that Applicant is a small entity.

Therefore, Applicant respectfully requests that all future fees reflect the Applicant's status as a small entity.

Applicant does not believe any fees are necessary to assert small entity status. However, Applicant authorizes the Commissioner to charge deposit account 07-1509 for any fees associated with this assertion or incurred during prosecution of the above identified application.

It is respectfully submitted that this application is in condition for allowance and notice to that effect is earnestly solicited. The Examiner is urged to telephone the undersigned in the event a telephone discussion would be helpful in advancing the prosecution of the present application.

Respectfully submitted,

GODFREY & KAHN, S.C.
